Smithton-Burnie Bus Service No. 768 Termination

Ms DOW question to MINISTER for INFRASTRUCTURE and TRANSPORT

My constituent question is from Darlene from Stanley. Darlene is a regular user of the Kinetic bus service from Smithton to Burnie, number 768. The service runs once a day, with Stanley residents meeting the bus at an unmarked bus stop in Stanley. The bus comes directly into Stanley at 7.20 a.m. and returns at 4.30 p.m. My constituents were shocked to see Kinetic post on their Facebook page on Friday, 6 November that this Monday-to-Friday service has been terminated effective immediately and for the foreseeable future. Stanley passengers are now required to meet the bus at the intersection of the Stanley and Bass Highways, which is 7 kilometres from the Stanley township. Will the Minister reinstate this important service and ensure the bus stop in Stanley is well signed and visible?
