The Hon Meg Brown MP

Committee Chair

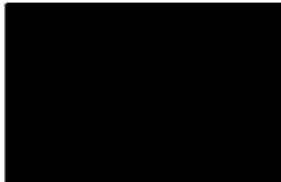

Standing Committee on Government Administration B

sandflathead@parliament.tas.gov.au

Dear Ms Brown *Meg*

Further to my evidence to your Committee on 9 June 2026, I confirm that the Government accepted my Department's advice to progress management measures specific to the south-eastern zone closure and landing flathead whole, prior to any media engagement on the public education and awareness campaign. That engagement commenced on 15 January 2026.

Yours sincerely

Jason Jacobi
SECRETARY
