Dear Mr Willie

Thank you for your constituency question in the House of Assembly on 17 March 2026 regarding small organisation grants.

I am pleased to inform you that the particular email you refer to is one that I send to all new subscribers to my newsletter. The email encourages those that represent a community organisation with a project in need of funds (up to the value of \$1000).

The primary potential source of these funds for small community organisation projects is the Premier's Discretionary Fund.

I can assure you that my offer to assist in sourcing funds for worthy projects is entirely genuine and made in service of my duties as a local member to represent and support my community.

Yours faithfully
