Early Notification of Licence Renewal

Ms DOW question to MINISTER for INFRASTRUCTURE and TRANSPORT

My question is from my constituent, Ken from Burnie. Ken would like to know why early notification of licence renewal is not provided via mail, email or text, allowing sufficient time for Tasmanians to organise the renewal of their licence and avoid the risk of inadvertently driving with an expired licence. Ken would also like to know why providing reasonable notice was abandoned, and if this government and its ministers think a same-day text message is acceptable.
