

## Mornington Roundabout

### **Ms BROWN question to MINISTER for INFRASTRUCTURE and TRANSPORT**

My question comes from Steve who is a tradie on Hobart's eastern shore. Steve travels through the Mornington roundabout to get to and from work every single day and he wants to know why the state Liberal government hasn't acted on a dangerous roundabout when the federal Labor government has provided the funds for the works. He wants to know why it's taking so long.
