Dear Mr Fairs

I write in response to a question raised in Parliament on 17 March 2026 on behalf of your constituents regarding anticipation around the opening of the Northern Suburbs Recreational Hub in Mowbray.

It is fair to say the level of interest in the facility is growing stronger every day as we move closer to opening. I'm pleased to confirm the Official Public Opening is planned for Saturday, 28 March, 2026. I understand the doors will open to the public from midday with activities running throughout the afternoon. The full program is available here [Grand Opening Program](#)

With the completion of this stage of the Hub, we have added seven new indoor courts, a gymnastics area, and a rock-climbing wall. This facility will be a genuine game changer for many sports across the north of the state.

Pleasingly, I can also confirm that Stage 3 of this important redevelopment is very close to commencing. These works will have no impact on the day-to-day operations of the soon to be opened Rec Hub. Once completed, this stage will add a further four courts to an already impressive complex.

Once again thank you for your support of this project and for sharing your constituent's questions on this facility.

Yours sincerely

Hon Gavin Pearce MP
