No. 39

THURSDAY, 25 JUNE 2026

1 COUNCIL MEETS.— The Council met at 11.00 o'clock a.m.

2 ACKNOWLEDGEMENT OF TRADITIONAL PEOPLE.— The President said:

“We meet today on Tasmanian Aboriginal land. We acknowledge and pay respect to the Tasmanian Aboriginal people and elders, past and present. We recognise them as the first inhabitants and the continuing custodians of this land.”

3 PRAYERS AND REFLECTION.— The President read Prayers.

4 PUBLIC FUNDING FOR GREYHOUND RACING.— Ms *Thomas* asked the Honourable the Leader of the Government — Regarding the Premier’s announcement that the Government will cease public funding for greyhound racing in 2029:

- (1) Which of the following costs associated with greyhound racing does the Government intend to cease funding in 2029:
 - (a) Industry operations, i.e. prize money, race meeting operations, administration, broadcasting?
 - (b) Infrastructure and asset management, i.e. track maintenance, on track kennel infrastructure, safety infrastructure, capital works?
 - (c) Integrity and regulatory functions, i.e. integrity investigations, drug testing, stewards, compliance inspectors, licensing functions, oversight and enforcement functions of Tasracing and the Racing integrity Commissioner?
 - (d) Animal welfare functions, ie. welfare and kennel inspections, preparation and enforcement of animal welfare standards, welfare investigations, rehoming programs, data collection and reporting?
- (2) If greyhound racing continues to be a lawful activity and government funding ceases, how does the Government intend to fulfil its existing statutory obligations under the *Racing Regulation and Integrity Act 2024* and any other relevant legislation, including obligations relating to integrity, regulation, licensing, animal welfare, enforcement and oversight?
- (3) Has the Government obtained legal and/or Treasury advice regarding its ability to withdraw funding while continuing to meet those statutory obligations and, if so, will it release that advice or a summary of that advice?

The Leader answered:

- (1) It remains the Government’s policy that greyhound racing in Tasmania will be phased out by 30 June 2029. The Tasmanian Racing Integrity Commissioner will prepare a phaseout plan for the greyhound racing industry to be tabled in Parliament.

This phaseout plan will serve as a strategic and operational guidance document in the management of the phase out of greyhound racing including financial requirements and funding to

30 June 2029, and any industry funding, animal welfare and rehoming requirements after that date.

- (2) The Government remains committed to the passage of the *Greyhound Racing Legislation Amendments (Phasing Out Reform) Bill*.

The Government's position is that the legislation delivers an orderly transition, strong animal welfare protections, and certainty for participants.

The legislation will provide a balanced and practical pathway to 30 June 2029, safeguarding animal welfare while allowing industry participants time to transition. The Government's focus remains on the passage of this legislation.

- (3) The Government reiterates its commitment to the passage of the *Greyhound Racing Legislation Amendments (Phasing Out Reform) Bill*.

Work has started on a new racing industry funding deed to ensure the financial sustainability of the Tasmanian racing industry.

This is especially important to provide certainty to the industry following the Government's announcement of a phase out of greyhound racing by June 30, 2029.

A project to assess options for the next deed has commenced, being conducted by a working group overseen by the Department of Treasury and Finance and the Department of Natural Resources and Environment.

Importantly, this is not a review into whether there will be funding, it is a review of what that funding model looks like beyond 2029 for the thoroughbred and harness racing codes.

This is a complex matter and is subject to the usual budgetary process. The Joint Standing Committee on Greyhound Racing Transition resolved on 25 May 2026 to pursue the following workplan over the coming months in line with its Terms of Reference:

- An examination of other jurisdictions, including any parliamentary or statutory inquiries, decisions to phase out the industry, transition frameworks implemented, animal welfare issues, support for participants, compensation arrangements, timelines followed and social and economic impacts;
- Financial, economic and animal welfare impacts of the proposed phase out of greyhound racing in Tasmania; and
- The future of the Tasmanian racing Deed.

The Government will engage with the Committee in providing clarity on these important matters.
