Dear Chair

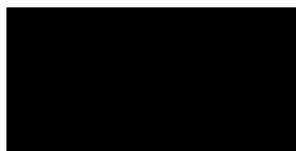

Tasracing Submission – HoA Select Committee on Caretaker Conventions

Thank you for the invitation for Tasracing to make a submission to the House of Assembly Committee on Caretaker Conventions.

We note at (1)(9) use of the word ‘promotion’ and suggest this wording is subjective and prejudicial. We respectfully request alternate language is utilised subsequently within Committee documents.

As regards a submission, Tasracing does not have further comment to make beyond the responses provided by the Chair and CEO at House of Assembly Government Business Scrutiny Committee, 26 November 2025. A copy of the Committee transcript is included for your convenience.

Yours sincerely
