Inquiry

Dear Ms Murphy

Please see the following information to update the Committee:

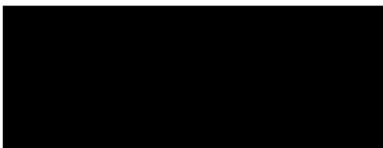

2. Please provide up-to-date data since 1 January 2026 for the greyhound code on (period captured 1 Jan – 2 Mar 2026, data as accessed on 13 March 2026):

On track deaths: 1('Hellyer Dougie')  
Post-race euthanasia: 1('Memphis Rains')  
Injuries on and off track: 39

Please note that at the time of the original data request, there was still follow-up outstanding from the investigation into Memphis Rains, hence its status was not finalised.

Please also note that there was a misinterpretation of the request for injuries on and off the track, which led to the low number being provided.

Yours sincerely

Andrew Jenkins  
Chief Executive Officer
