SESSION OF 2025 - 2026

(FIRST SESSION OF THE FIFTY-SECOND PARLIAMENT)

## NOTICES OF MOTION AND ORDERS OF THE DAY

No. 24

Thursday 26 March 2026

The Council meets at 11.00 am

### Notices of Motion

#### 1 Office of the Custodial Inspector Annual Report 2023-24

Given by: Ms *Webb*

Date: 19 August 2025

That the Office of the Custodial Inspector Annual Report 2023-24, and recent public statements of Custodial Inspector Richard Connock, be considered and noted.

#### 2 Tasmania's Forest Carbon 2025 Update Report

Given by: Ms *O'Connor*

Date: 12 September 2025

To be moved:

That the Legislative Council:

- (1) Notes the release of the report 'Tasmania's Forest Carbon – 2025 Update', a co-sponsored project by the Tasmanian Climate Collective, the Tree Projects and the Wilderness Society, and authored by internationally respected scientist, Dr Jen Sanger.
- (2) Accepts the scientific fact that unlogged forests are the reason Tasmania can claim to be one of the first jurisdictions in the world to become net zero, evidenced by the State's greenhouse accounts from 2012 onwards.
- (3) Notes the report finds Tasmania's forests currently draw down an estimated 22 million tonnes of carbon each year, which would more than triple by 2050 if native forest logging ceases and forests are managed for climate, biodiversity, recreation and tourism.
- (4) Recognises the report finds that ongoing native forest logging and burning is also the State's single biggest emitter, with industrial scale forestry burns accounting for the emission of an estimated 1.6 million tonnes of carbon dioxide (CO<sub>2</sub>e) each year.
- (5) Notes with concern federal and state government moves to facilitate the further burning of native forest for biomass, including at Goliath Cement in Railton.
- (6) Agrees that the single most effective step Tasmania can take to reduce emissions is to end native forest logging and burning – the necessary and ethical response to accelerating global heating which will impact on our communities, environment and economy with increasing intensity in the decades ahead.

### **3 Tasmanian Liquor and Gaming Commission Ministerial Direction**

Given by: Ms *Webb*

Date: 23 September 2025

To be moved:

- (1) That the Legislative Council notes:
  - a) The State Government's Tasmanian Liquor and Gaming Commission Ministerial Direction (No. 1) 2022 requiring a mandatory cashless card system for poker machines in Tasmanian hotels, clubs and casinos, including loss limits, breaks in play and optional commitment for time spent playing be developed and implemented;
  - b) The Tasmanian Liquor and Gaming Commission undertook extensive public consultation on the implementation of the proposed poker machine mandatory pre-commitment card;
  - c) The proposed mandatory pre-commitment card was originally scheduled to be implemented by the end of 2024, and intended to cap losses at \$100 per day, or \$5,000 per year;
  - d) The State government announced on the 16 October 2024, that the Department of State Growth had engaged Deloitte Access Economics to undertake an analysis of the social and economic impact of the Government's poker machine mandatory pre-commitment card policy; and
  - e) That the terms of reference or contract provided for the Deloitte Access Economic review have not been released publicly; and
- (2) That the Legislative Council further notes:
  - a) In November 2024, the Premier announced an indefinite pause on proceeding with the proposed mandatory pre-commitment card; and
  - b) In June this year, the Premier further stated a mandatory pre-commitment card will not be introduced in Tasmania unless there is a national approach on the issue;
- (3) That the Legislative Council also notes with concern the state annual poker machine losses for 2024-25 which totalled \$193,908,165, a decade high level of losses from the Tasmanian community; and
- (4) That the Legislative Council calls on the Tasmanian Government to release immediately the 2024 Deloitte Access Economics' social and economic impact review report of the poker machine pre-commitment card policy.

### **4 Tasmanian Planning Commission Final Integrated Assessment Report**

**5 Report of the Office of the Custodial Inspector: Custody – Reception to Release Inspection Report 2025**

Given by: Ms Armitage

Date: 4 November 2025

To be moved:

That the Office of the Custodial Inspector's Custody: Reception to Release Inspection Report 2025, be considered and noted.

**6 Ombudsman Tasmania Annual Report 2024-25**

Given by: Ms Webb

Date: 6 November 2025

To be moved:

- (1) That the Legislative Council notes the Ombudsman Tasmania Annual Report 2024-25, particularly statements made regarding;
  - (a) Previous recommendations made by the Ombudsman that the Tasmanian National Preventative Mechanism (NPM) be established as a specialised institution separate from the Ombudsman, and that the person appointed as Tasmanian NPM concurrently serve as Custodial Inspector, which is also to be separated from the Ombudsman, have not been acted upon;
  - (b) The need for the proposed new joint Tasmanian NPM-Custodial Inspector entity to come under the administrative umbrella of a department other than the Department of Justice, given that so many of the facilities which are inspected are also under Justice's purview.
- (2) That the Legislative Council further notes that:
  - (a) The *OPCAT Implementation Act 2021*, which was passed by the Tasmanian Parliament and received Royal Assent on 29 November 2021, establishes an NPM for Tasmania as a new, permanent monitoring body to undertake regular, unannounced inspections of places of detention in order to strengthen protections against torture and ill treatment;
  - (b) On 1 December 2023, the Tasmanian NPM released its first implementation project report *Preventing torture and ill-treatment in Tasmania*, which includes the results of extensive community and expert consultation to establish the Tasmanian NPM, with a focus on custody, detention, and secure mental health settings;
  - (c) On 26 November 2024, the Tasmanian NPM released its second, supplementary implementation project report focusing on the Tasmanian NPM's mandate in community-based aged residential care and disability support services.
  - (d) The combined Tasmanian NPM 2023 and 2024 Implementation Reports provide 12 overarching recommendations to successfully establish an independent and accountable office that is most suitable for Tasmania and best placed to prevent torture and ill-treatment, designed to complement and work with existing oversight bodies, engage actively with civil society, and ensure appropriate Parliamentary scrutiny of its activities;
  - (e) On the 19 November 2024 the Legislative Council passed a motion which called for the 12 implementation recommendations to be accepted in full.

- (3) That the Legislative Council also notes the following statement by the outgoing Ombudsman Mr Richard Connock in the 2024-25 Annual Report:

*“Unfortunately, the report, and the 2024 Supplementary Implementation Report, have not been formally responded to though both have been tabled in parliament. In addition, whilst government provided generous funding for the implementation phase of the NPM, it has not provided sufficient ongoing funding for the NPM to perform its functions. This is disappointing, and means that Tasmania will not meet its international obligations.”*

- (4) And that the Legislative Council calls on the Tasmanian government to:
- (a) Provide a formal response in the Parliament to both the *Preventing torture and ill-treatment in Tasmania 2023 Report* and the 2024 Supplementary implementation report;
  - (b) Commit to the full funding and implementation of all 12 overarching TNPM recommendations and provide an implementation timetable; and
  - (c) Report back to the Legislative Council prior the delivery of the 2026-27 State Budget.

**9 Commission of Inquiry – Susan Neill-Fraser Conviction**

Given by: Mr Gaffney

Date: 3 December 2025

To be moved:

That the Legislative Council:

- (1) Notes there is no Criminal Cases Review Commission in Australia to enable the independent review of convictions post appeal, as is the case in other countries including the United Kingdom, Canada and New Zealand;
- (2) Notes the cases of Lindy Chamberlain, Kathleen Folbigg, Andrew Mallard and Henry Keogh, all of whom had their convictions for murder quashed following significant concerns being raised by supporters regarding miscarriages of justice having occurred in their respective cases;
- (3) Notes the body of evidence and material that has emerged since the conviction of Sue Neill-Fraser for the murder of Bob Chappell in 2010 that may raise doubt on the soundness of that conviction; and
- (4) Calls on the government to establish a Commission of Inquiry to enquire into and report on the correctness of the conviction of Susan Neill-Fraser for the murder of Bob Chappell.

## **11 Tasmanian Human Rights Act**

Given by: Ms *Webb*

Date: 10 December 2025

To be moved:

- (1) That the Legislative Council notes the resolutions of this House passed on the 22 November 2022 and on the 26 November 2024 requesting the Tasmanian Government commence work on developing a Tasmanian Human Rights Act in accordance with the recommendations made by the 2007 Tasmanian Law Reform Institute's *A Charter for Human Rights for Tasmania Final Report*, and again in the TLRI's Update Report of 2024;
- (2) That the Legislative Council further notes that 10 December 2025 is the annual International Human Rights Day which commemorates the adoption of the Universal Declaration of Human Rights (UDHR) by the United Nations General Assembly in 1948, and that the 2025 theme is "Our Everyday Essentials";
- (3) That the Legislative Council further notes that:
  - (a) Human Rights Acts have been enacted in the Australian Capital Territory for the last 21 years, Victoria for the last 19 years, and Queensland for the last 6 years;
  - (b) In April 2025 the South Australian Parliamentary Social Development Committee formally recommended the enactment of a Human Rights Act for that state;
  - (c) In October 2025 a Bill for a Human Rights Act and to also establish a NSW Human Rights Commission was tabled in the New South Wales State Parliament;
- (4) And that the Legislative Council also notes with disappointment that the Tasmanian government has still failed to heed the previous resolutions of this House to progress a Tasmanian Human Rights Act for the protection of the "Everyday Essentials" crucial for all Tasmanians.

## **13 Climate Council and Emergency Leaders for Climate Action Report: When Cities Burn**

Given by: Ms *O'Connor*

Date: 18 March 2026

To be moved:

That the Legislative Council:

- (1) Notes the release of the report '*When Cities Burn: could the Los Angeles fires happen here?*' in January 2026 by the Climate Council and Emergency Leaders for Climate Action;
- (2) Notes the report finds that climate pollution - caused by the increased burning of coal, oil and gas - has made dangerous fire conditions more likely, including extreme dryness, heat and winds, alongside greater frequency of 'climate whiplash', the experience of a rapid switch between very wet and very dry weather;
- (3) Recognises that Australia - and Tasmania - share many of the same characteristics that led to the destructive fires that swept through Los Angeles in 2025, including long-term drying trends, episodic drought, more extreme winds, large areas of bushland adjacent to homes, steep slopes that accelerate fires and increasingly common pyroCb (fire-generated thunderstorms);
- (4) Accepts that Hobart is one of Australia's most fire-exposed capitals, hosting steep terrain, strong winds and heavy fuels, hemmed in by wet and dry forests on Kunanyi/Mount Wellington;
- (5) Notes with concern that there is a growing number of people living closer to flammable bush and grassland, with a 33% increase of people living in Hobart's urban fringe danger zones over the past 2.5 decades, and 90% of homes in bushfire prone areas having been constructed before modern, bushfire-resilient standards were introduced;
- (6) Calls upon the Tasmanian Government to cut climate pollution, take action now to invest in disaster preparation and community resilience, including hazard reduction, education and retrofitting existing homes to bushfire standards; and
- (7) Calls upon the Tasmanian Government to prioritise an evacuation plan for Greater Hobart, and to work with emergency services to ensure that they are properly resourced.

#### **14 Proposed Macquarie Point Stadium Project Costs and Impacts**

Given by: Ms O'Connor

Date: 25 March 2026

To be moved:

- (1) That the Legislative Council notes the correspondence from the Premier and Treasurer to the Honourable Member for Elwick, dated 4 December 2025 and tabled in the Council by the Leader for Government Business on 4 December 2025 in relation to the Macquarie Point Stadium Project which set out a number of claims in relation to:
  - (a) the final project costs and cost cap, budget impact, economic and social benefits, governance, design and construction of the Macquarie Point Stadium; and
  - (b) a P90 assessment which the Government relies on to support a high degree of confidence in the current \$1.13 billion budget estimate for the stadium;
- (2) That the Legislative Council expresses its concerns:
  - (a) that these claims and the P90 assessment are not supported by available evidence, are incomplete or may not be technically possible;
  - (b) that an industry standard P90 requires a finalised scope, known quantities, identified risks and quantified contingencies; and
  - (c) the project conditions may not be met resulting in penalty payments and overall cost increases; and
- (3) That the Legislative Council calls on the Tasmanian Government to make publicly available and lay upon the Table of the Council the document it refers to as the P90 and any materials supporting the P90 as described in the letter by 5 May 2026.
