Dear Ms Rosol

Thank you for your constituency question asked in the House of Assembly on 23 September 2025 raising concerns on behalf of Bridport Innovations Inc regarding Ezzy Park.

Concept designs and the masterplan for the new fire station have been finalised and I am advised that a Request for Tender is expected to be advertised in late in 2025.

The Tasmania Fire Service has committed \$20,000 towards the relocation of the Ezzy Park signage, and this has been confirmed with the Dorset Council. The Department of Police, Fire and Emergency Management will continue to work with Council regarding the process for the removal of the signage and provide information through the normal channels for public consultation on the project.

Yours sincerely
